

Go to <https://www.mlwithap.com/> to register yourself for the Foundation Module.

The screenshot shows the homepage of the MLWithAP website. At the top, there is a navigation bar with links for 'About', 'Courses', and 'Login'. Below the navigation bar is a large banner featuring a hand interacting with a futuristic interface that includes various icons related to machine learning and technology. The text 'MACHINE LEARNING' is prominently displayed in the center of the banner. Below the banner, the website's name 'MLWithAP' is written in a large, bold, black font. Underneath the name is a tagline: 'Empower Your Future: ML Made Easy'. A sub-tagline follows: 'Learn Data Science and Machine Learning with MLWithAP.' Below this text are social media icons for YouTube and LinkedIn, and a blue button labeled 'Explore Courses'.

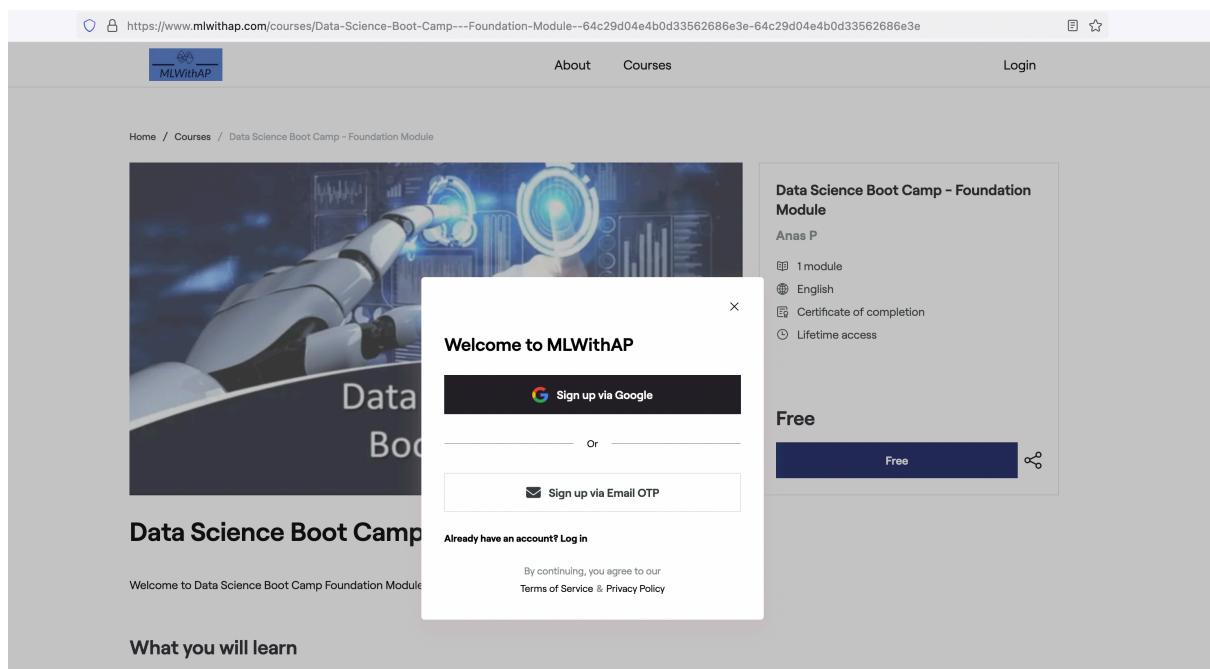

Click on Courses . You will find Data Science Boot Camp – Foundation Module course listed.

The screenshot shows the 'Courses' page of the MLWithAP website. At the top, there is a navigation bar with links for 'About', 'Courses', and 'Login'. Below the navigation bar, the word 'Courses' is displayed in a large, bold, black font. Underneath 'Courses', the text 'All courses' is visible. A thumbnail image for a course titled 'Data Science Boot Camp' is shown, featuring a robotic hand interacting with a digital interface. Below the thumbnail, the course title 'Data Science Boot Camp - Foundation Module' is listed, along with the author's name 'Anas P'. To the right of the author's name are three circular icons indicating course details: a person icon for '1 module', a globe icon for 'English', and a clock icon for 'Lifetime access'. The word 'Free' is displayed at the bottom of the course listing.

Since Foundation Module is absolutely Free. Click on “Free” button. You will be redirected to login.

The screenshot shows a web browser window with the URL <https://www.mlwithap.com/courses/Data-Science-Boot-Camp---Foundation-Module--64c29d04e4b0d33562686e3e-64c29d04e4b0d33562686e3e>. The page title is "Data Science Boot Camp - Foundation Module". The header includes a logo for "MLWithAP", navigation links for "About", "Courses", and "Login", and social sharing icons. The main content area features a large image of a robotic hand interacting with a futuristic interface displaying data visualizations like charts and graphs. Below the image, the course title "Data Science Boot Camp" is displayed, along with the "MLWithAP" logo. To the right, a sidebar provides details about the module: "Data Science Boot Camp - Foundation Module" by "Anas P", with 1 module, in English, offering a Certificate of completion, and Lifetime access. A prominent blue button labeled "Free" is shown, with a "Free" badge next to it. The footer contains a "What you will learn" section and a note: "Welcome to Data Science Boot Camp Foundation Module."

You can sign up using Google or create an account.

After successful sign up and registration for Foundation Module, you can scroll and check other details e.g. "What you will learn" , FAQ, Certificate awarded etc.

I recommend you to go through FAQs.

Data Science Boot Camp - Foundation Module

Welcome to Data Science Boot Camp Foundation Module.

What you will learn

Go to the course. You will find weekly schedule and Week wise detailed curriculum

The screenshot shows a course page titled "Data Science Boot Camp - Foundation Module". On the left, there's a sidebar with "20% completed in 8m" and sections for "Course Discussions" and "Contents". Under "Contents", there's a "Foundation Module" section which is expanded, showing "Data Science Boot camp Schedule" and "Detailed Weekly Curriculum - Boot Camp". Arrows point from the "Data Science Boot camp Schedule" and "Detailed Weekly Curriculum" items to a table titled "Data Science Boot Camp Schedule" on the right.

Module	Week	Date	Day	Topic
Foundation Module	Week 1	05-Aug-23 06-Aug-23	Saturday Sunday	Welcome & Introduction to Data Science Intro to Python
	Week 2	12-Aug-23 13-Aug-23	Saturday Sunday	Intro to Python - Contd Advance Python for Data Science
	Week 3	19-Aug-23 20-Aug-23	Saturday Sunday	Advance Python for Data Science - Contd Statistics for Machine Learning
	Week 4	26-Aug-23 27-Aug-23	Saturday Sunday	Linear Algebra , Calculus and Probability SQL for Data Science
	Week 5	02-Sep-23 03-Sep-23	Saturday Sunday	Unit test and Assignment Submission
Machine Learning (Module 1)	Week 6	09-Sep-23 10-Sep-23	Saturday Sunday	Exploratory Data Analysis Exploratory Data Analysis - Contd
	Week 7	16-Sep-23 17-Sep-23	Saturday Sunday	Data Visualization using Tableau Introduction to Machine Learning Algorithms
	Week 8	23-Sep-23 24-Sep-23	Saturday Sunday	Machine Learning Algorithms - Contd Machine Learning Algorithms - Contd
	Week 9	30-Sep-23	Saturday	Feature Engineering and Feature Selection

Zoom links will appear here on scheduled day of the session.

Communities section for Doubt clearance.

The screenshot shows a community page for "#Foundation-module-Doubts" under the "Data Science Boot Camp Foundation" channel. On the left, there's a sidebar with "COMMUNITY", "Mentions", "ALL CHANNELS", and a search bar. A blue arrow points from the "#Found-Module-Anno..." item in the "ALL CHANNELS" list to a "Howler Assistant" box. Another blue arrow points from the "#Foundation-module-Doubts" channel name to the same box. The "Howler Assistant" box contains the text "Welcome to Anas P's community" and three callout boxes: "Interact with the creator directly. Tag them if you need help.", "Have a query? Start a thread and let the community handle the rest.", and "Geek out with the community. Share media, voice notes, and reactions.".
